Dear Mr. Derouen:

Attached for filing with the Commission are revised pages of Section E9 of the Access Services Tariff of BellSouth Telecommunications LLC d/b/a AT&T Kentucky to be effective April 30, 2015.

This filing makes changes to BellSouth Directory Assistance (DA) Access service to reflect that DA service requests are now handled by automated operators instead of by live operators.

The customer will not be assessed a call charge to the automated operator if the automated operator is unable to provide the requested telephone number (s). Additionally, a maximum of three requests for telephone numbers will be accepted per call to the DA operator instead of the maximum number of two allowed today.

Should you have any questions or need additional information, please contact Joan Duncan, 502-582-8416.

Very truly yours,
